**Patrol Room Cleanliness**

- Thank you Griff for donation of vacuum.
- Mats will be replaced every other week.
- Dustin will begin installing the new doors.
- Remember to spray everything with Steramine. Wipe down all surfaces.
- Take out trash
- Take rental equipment back to rental department. They do not pick up.

**Dues** There are 20-25 patrollers who have not paid 2021 dues.

**Radio Communication**

- Keep communication brief and concise.
- GPSA staff to patrol communication should be minimized.

**Snowmobile Route/Safety**

- Use Miracle to move up and down the hill. It was proposed to use the East side instead of the West side.
- Laterally across the bottom
- Lateral across the top
- It is advised to use a whistle to alert skiers when transporting with snowmobile
- Lights on the snowmobile were discussed and determined they meet state code.

**On-Hill Refresher**

- Thank you to Sean Bennet, Chris Dragosh, Peter Crooks for going to each shift and providing refreshers. Refreshers are wrapping up this week.

**Accident Investigation Team**

SL's will contact AI Team for the following 6 reasons:

- Patient leaving the hill unconscious
- Patient leaving the hill paralyzed
- Fall from a lift causing injury
- Collision with groomer or snowmobile
- At the request of management

**Incident Reports**

- All forms must be filled out completely. Rich will contact those for more information if necessary.
- Red flag all EMS transports.

**Awards**

- SL's should consider who they will nominate for awards.
- Those patrollers with their National numbers should consider who they will nominate next.
- Consider Patroller Cross awards for those who were injured.

**Other**

- Should check in with office staff before each shift.
- Reservations for vaccines are complete. Thank you to Scott and Dr. Clark for organizing.
- When life threatening injury, EMS should pick up at office.
- Greg will look into a plan to alleviate the amount of equipment out in front of lodge which impedes transport.
- Anyone who works with YAP must take the Youth Protection Program class. Link is on the division website.
- Last ride for Dave Hasenberg will take place late February/early March. A sign is being make.
- MLK is on Monday. This weekend will be busy. Please consider helping Monday day/night shifts.
