

Granite Peak Ski Patrol Slope Leader Meeting Notes November 15, 2021

Hill Employee Introductions

Ryan, Lift Operations Manager; Ry, Terrain Park Manager and Alison, Snow School were introduced to the group. Ry mentioned that he and his crew will be working to have signs placed before opening each day but may occasionally need additional help with that and would let the SL know.

Concussion Research Presentation

The Cranium Crew, med students Chris and Marco, presented to the group their findings from the concussion study. It was suggested we invite them to our Refresher next year. Excellent presentation.

First Aid Supplies

Andy Reinke presented the new location for supplies and how we are to track them. He asked SL's to mark on the clipboard in the closet when they take from the supplies and put them into the aid room. He also mentioned there is now a birthing kit available.

LPR Changes

Peter talked through the changes in the LPR and asked for feedback. This year we will try having the headbeds on the backboard. Christy will purchase small white plastic garbage bags with ties to protect the headbeds in the toboggans.

Bode Calhoun

Bode Calhoun is a 14 year old boy who will be skiing at the hill this winter. He had a brain tumor last year. He is Adrenal Insufficient and will need EMS if he breaks a bone or is unconscious. He wears a med bracelet. Bode and/or his parents will check in at the LPR or in the office when Bode is skiing/riding. If Bode is hurt, please be sure to contact his parents on the ID bracelet.

Hill opening:

Wednesday	November 24	10 am - 9 pm.
Thursday, Thanksgiving	November 25	10 am - 9 pm
Friday, Saturday, Sunday	November 26, 27 28	9 am - 9 pm

The first two weeks the hill will open Friday - Sunday and will open for regular hours on December 13.

Job Descriptions

Christy distributed SL job descriptions for all. Please read them and use them for how you do your job as people leaders as well as training up your successors.

Snowmobile Training

A sign up for On-hill proficiency will be available soon with priority given to those shifts for opening weekend. The following people must still take the online portion of the DNR Snowmobile training to be eligible to operate the snowmobiles:
